Locaux 49 Clermont-Ferrand

AUTHENTIQUE IMMO is pleased to present to you, just a few kilometers from Vulcania, Lemptegy, and major routes (A89), in a wooded park of nearly 12 hectares, with a river running below, a former holiday camp with great potential of 2,600 m² to be developed, overlooking the valley and also crossed by a long-distance hiking trail. This property consists of two buildings from the early 1960s, structurally sound, offering many opportunities to rethink its future. Possibility to divide the site. Contact 07.81.56.90.04 for more information.
